Received this from HW. I'll go through it and add to an ERRS estimate for a total.

Matt, please find attached a new work schedule, attachment B, Schedule of Pricing, that will remain the same, and a marked up Purchase Order # 10429. The mark ups on the P.O. reflect the additional man hours, equipment rental durations, anticipated additional materials cost, additional Per Diem, and additional bond cost associated with this revision. Please call with any questions.

Thank you,

Bob Heeter
